Ed. note: The omake's numbering corresponds to it being the second omake of the fourth MLLSD tankoubon. Yet it's chronologically the 10th MLLSD omake published.

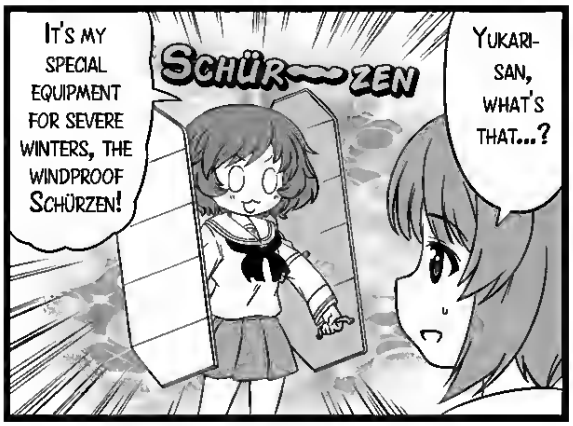
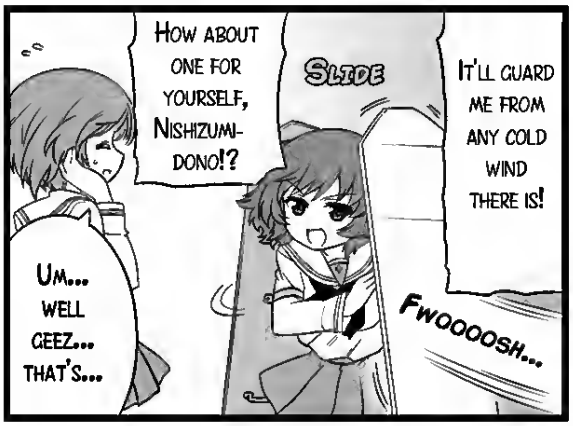
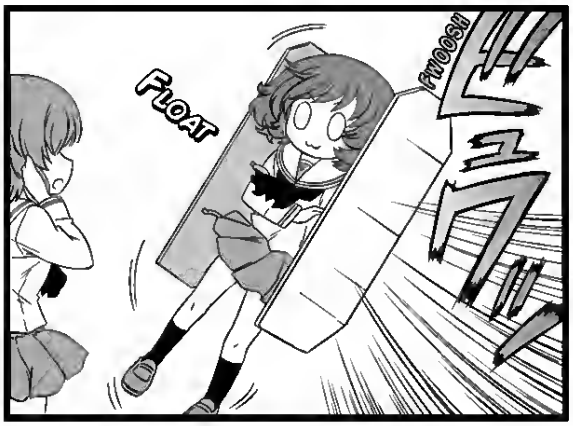
Overassumption

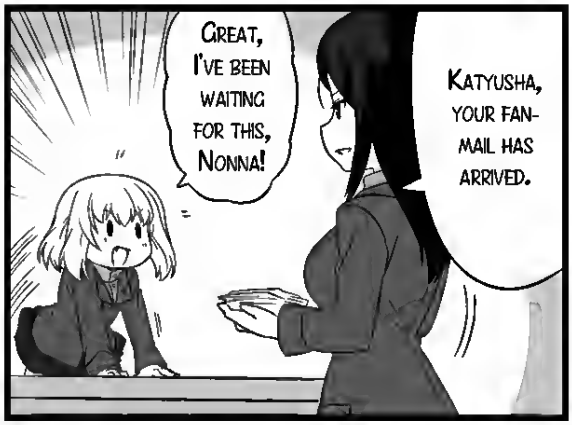


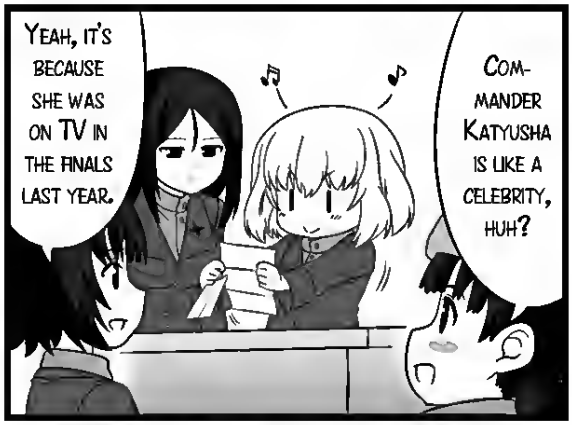


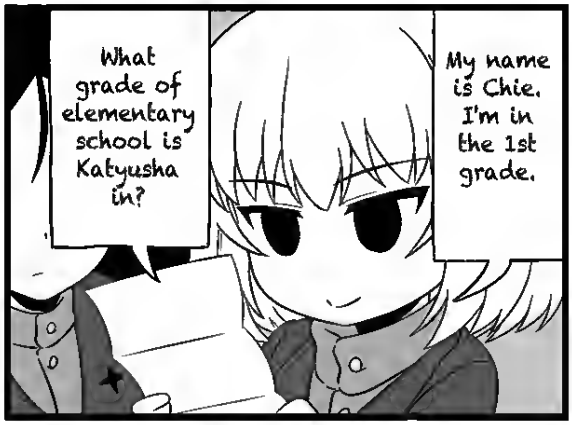


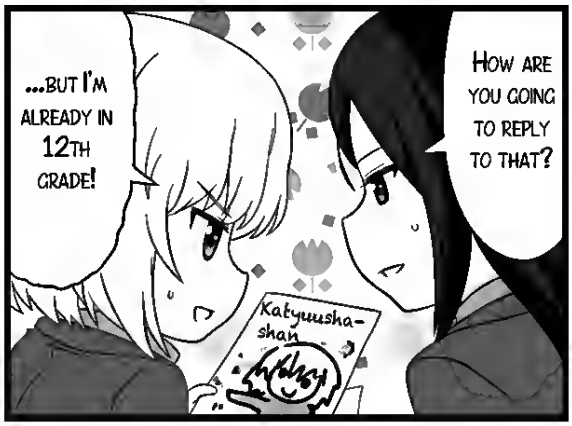
You know, you shouldn't underestimate nature...
It's too dangerous... It's defective~
I take it back, Nishizumi-dono... I've discovered a structural defect in my design...

Letters

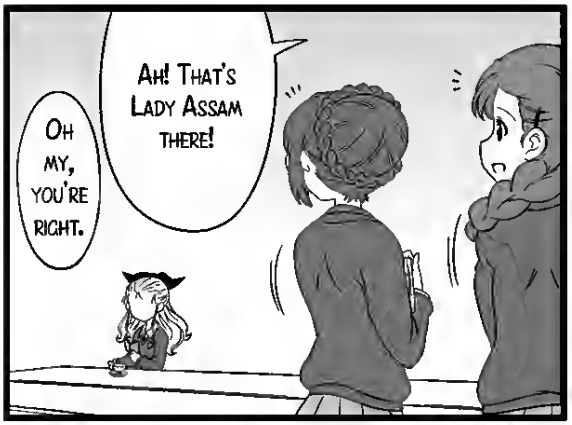


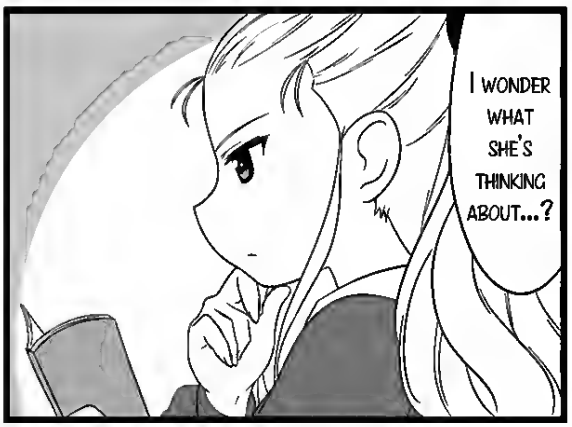


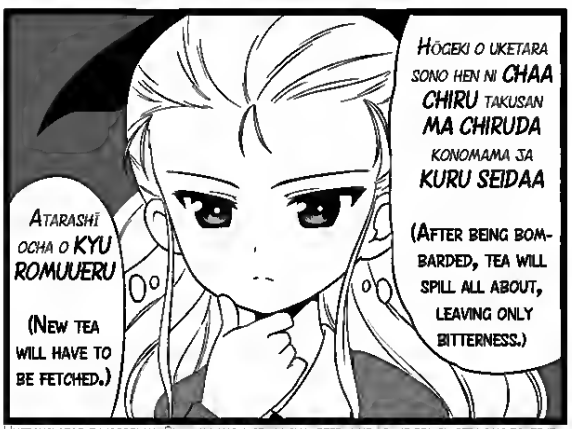




Careful Consideration



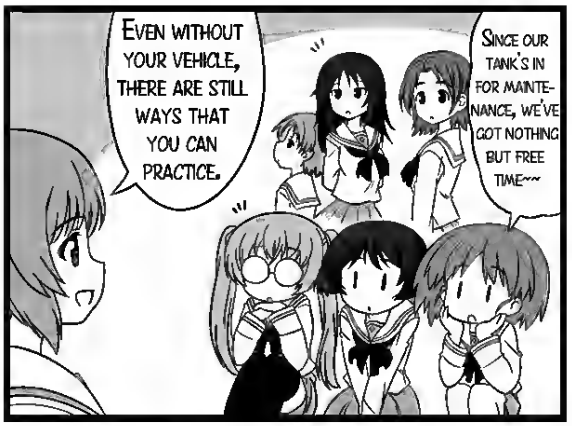




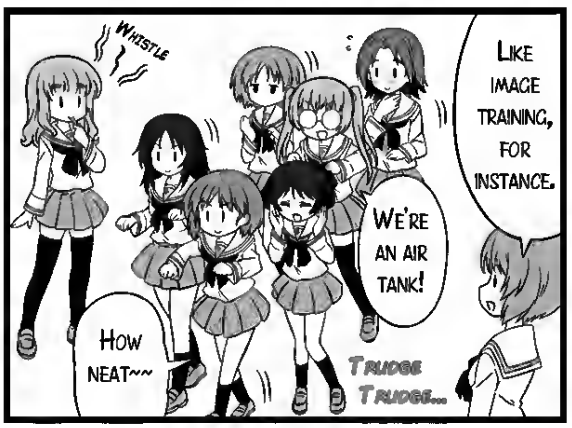
Atarashī ocha o KYU ROMUUERU
(New tea will have to be fetched.)
Hōgeki o uketara sono hen ni CHAA CHIRU takusan MA CHIRUDA konomama ja KURU SEIDAA
(After being bombarded, tea will spill all about, leaving only bitterness.)

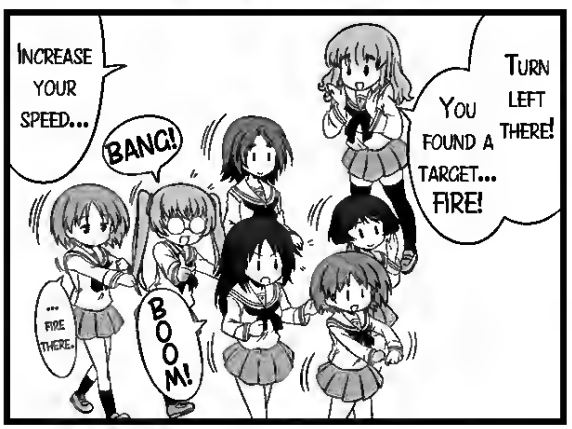
Untranslatable wordplay. She's making a sentence deep in thought by stringing together Japanese words that sound like English tanks (Churchill, Matilda, Crusader, Cromwell).

Air Rabbit

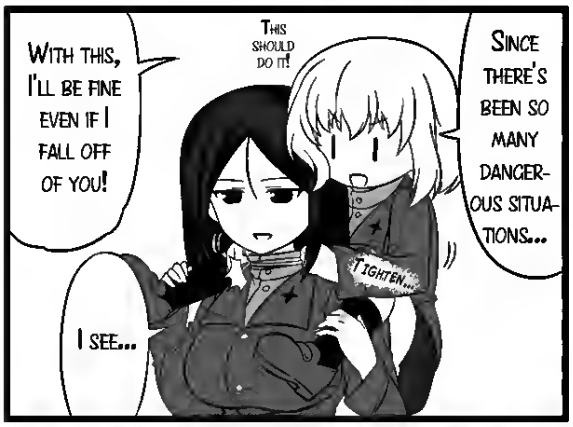


Even without your vehicle, there are still ways that you can practice.
Since our tank's in for maintenance, we've got nothing but free time~~





Their Trial



With this, I'll be fine even if I fall off of you!
This should do it!
Since there's been so many dangerous situations...
Tighten...
I see...

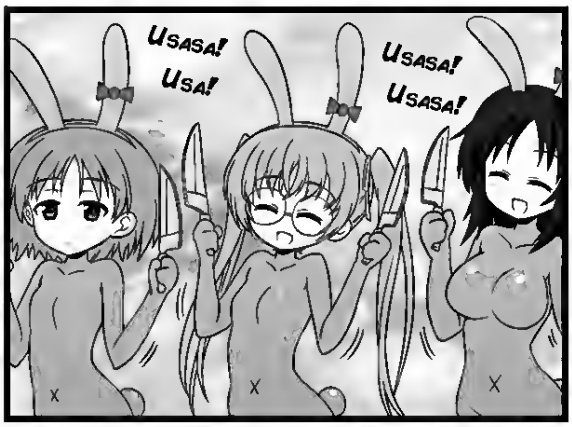
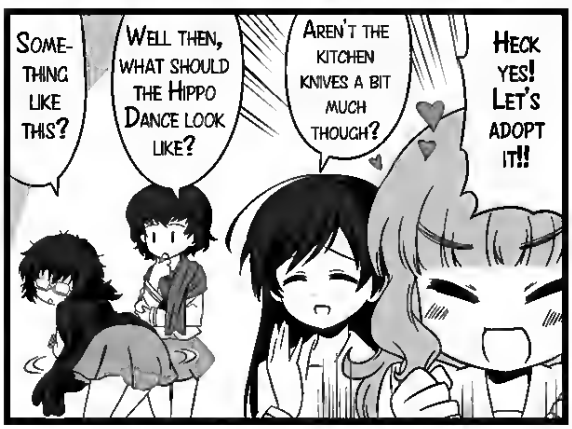
Rabbit Dance

Where do you find the time for this?
Great idea!
As Team Rabbit, we should try to come up with a Rabbit Dance to go up against the Anglerfish Dance!





Some-thing like this?
Well then, what should the Hippo Dance look like?
Aren't the kitchen knives a bit much though?
Heck yes! Let's adopt it!!

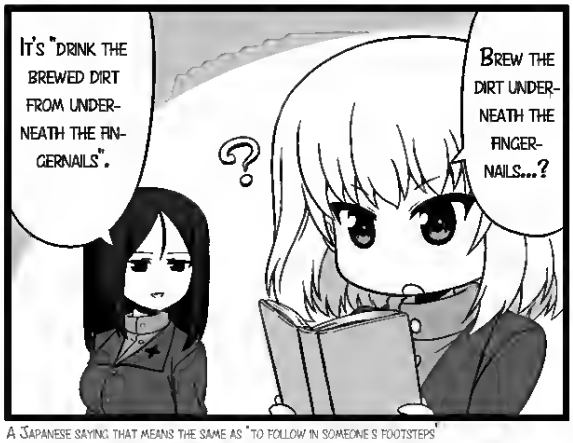
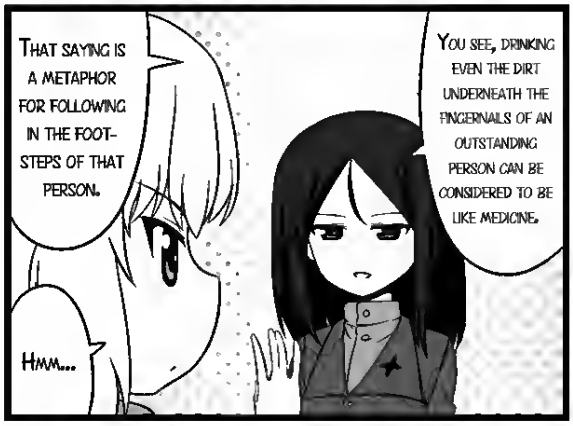
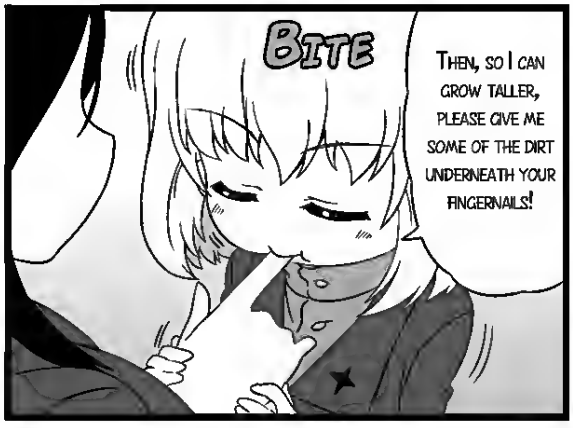
Under the Fingernails

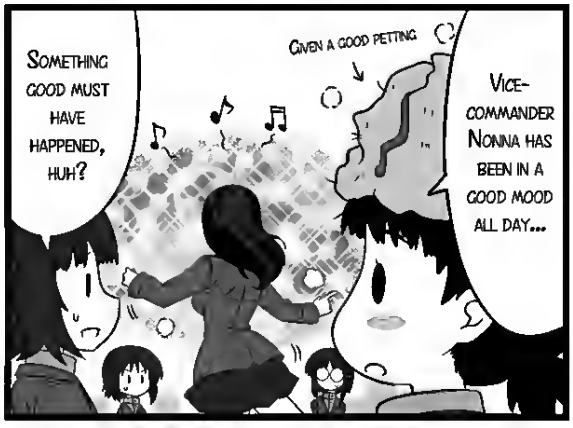


A Japanese saying that means the same as "to follow in someone's footsteps"



That saying is a metaphor for following in the footsteps of that person.
Hmm...
You see, drinking even the dirt underneath the fingernails of an outstanding person can be considered to be like medicine.





Kodak Moment

I'll have the regular!
Don't treat me like a child!
You'll be ordering the one without wasabi, right?
